**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Do not fear, do not fear for anything because My Heart knows your tests and your challenges well. In spite of everything, never stop looking at Jesus because His Sacred Heart will always shelter you from everything.

My children, believe in the power of His Merciful Rays, be partakers of the absolute Gift of His Redeeming Love.

Dear children, you have the Great Shepherd by your side. He is the one who can hear you and accompany you from Heart to heart. Therefore, My little ones, leaving behind the pain of the past, I invite you to renew yourselves through the loving Fire of Jesus.

Walk towards Him because He will show you the new path towards the Kingdom of the Father. Today I talk to you about the importance of living in Jesus and being in Him all the time possible.

Dear children, allow Me, as Mother, to bring you close to the Great Priest of Love and Redemption so that your lives, at the feet of My Son, can be like roses at the feet of the Creator. Venerate the Face of Light of My Son and trust that everything is in its place, because in this way you will recognize the Will of the Father, a will that many souls do not live for lack of love.

The True Love of the Heart is what is lacking in the world. Therefore, dear children, I call you to imitate the love of My Son so that each heart may find relief for its own sorrow and joy to be able to continue through the pathway of its own school.

Radiate the love of Jesus at each moment and be the carriers of hope.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
