**MESSAGE FOR THE APPARITION IN THE CITY OF POSADAS, MISIONES, ARGENTINA,
TRANSMITTED BY THE BLESSED VIRGIN MARY TO FRIAR ELÍAS**

Dear children:

For this new day of glory and of bliss, My Maternal Heart comes to you to bless you and accompany you under the favorable Love that I have for each one of you. In My arms, My children, you will find the comfort that your lives need and thus will encounter My Son, the Redeemer.

Today I come to the world and especially to this city of Posadas, to bless with My Spirit of Peace, and today also I take from your hearts each one of the pledges that you have pronounced to My Immaculate Heart.

Dear children, to you that can renovate yourselves through faith, today I ask you to enter without delay to the Divine Heart of My Son, because there will be resplendent the love that your essences must reach in the Victorious Throne of the Creator.

Today I come here to let you know of the absolute and merciful love that My Son Jesus has for your hearts.

My children, when yesterday I called you to peregrinate towards Salta, Argentina, it was for the simple reason that you accompany me in this task of adoration that today I am giving to you as an exercise for each child of the Earth.

My beloved little children, while part of the world is still distracted and does not put attention to prayer and to the union with God, I ask you to be true disseminators of My maternal messages, living them as true keys of salvation.

For this end of time My Heart calls the world and congregates all the Spiritual Families of My Son, because in this way the Love of God can descend in a Spirit of Peace and Redemption to the Earth.

I am building through the consecrated pilgrims to My Heart, in the entire world, a temple where My Son may rest, because Jesus is the Pilgrim of Love who searches for thirsty souls of love and forgiveness.

For this, little children of Posadas, under the Spirit of maternal celebration I wait for you for when your hearts will feel, to go to the blessed city of Salta, so that my rays from My Heart of Love may touch the needy souls of God the Father. You, as disciples of My Son, will be blessed instruments that may transmit peace and prayer to your peers.

My children, today My Heart is happy one more time for your answer and donation to the plans of My Peace, because everything will be understood in a short time, when your being will see coming in glory My Son, Your Savior.

I leave today My maternal blessing so that you may find, in the mystery of My presence among you, the true love and devotion for God, the one that My Spirit lives in the Heavens. I want soon that you be united to Me in prayer, and may arrive to the Kingdom of the Father, Paradise, so that the Earth may be filled by the Renovating Spirit of God. For this to be posible, My little ones, the keys are your humility, your love and your prayer, because in this way the unity of My Heart will accompany you for eternity.

I thank you all, My children of Misiones, and to all My pilgrims of South American for accompanying with love My call for Peace in the world!

I love you from the most High in the Kingdom of God.

Mary, Mother of the Divine Conception of the Trinity
