**MESSAGE OF MARY, QUEEN OF PEACE, TRANSMITTED TO MOTHER SHIMANI**

My beloved children:

Today I arrive here to give you My breath, My love and My blessing.

We begin a cycle of the Christic Apostolate, a path without return to the heart of the Lord.

Under the sign of the Holy Spirit you will see accomplished the goals that today God, Our Lord, has placed for those of My children that have the courage to give all for love.

Today I come from Heaven bringing the Good News that the Spirit of God is yet among you. Let yourselves be impregnated by His light, allow that the Spirit of God begin to be conscious in your lives.

How could you know that the Spirit of God impregnates you and conducts you?

Because, you will want to be in the Most High, because all your being will feel the necessity to unite itself to My Heart, and to the Heart of My Son. This will be the daily aspiration, the necessity of a soul that always has thirst and that searches to quench itself in the Source of Love and Mercy of the Blessed Hearts of Jesus and of Mary.

Each heart that lets itself be fulfilled by the Spirit of God will feel completeness, consolation, relief, by only being in My arms and in the Heart of My Son.

Each heart that lets itself be fulfilled by the Spirit of God will feel an unlimited strength to love and to sacrifice itself for its brothers and sisters. My Light and the Light of Christ will flow from their heart and the Love of God will give wisdom to their consciousness.

In this time where the darkness wants to reign in this world, each child of Mine that opens itself to the Spirit of God will be as a torch of light that will permit that the path of others may be illuminated so that their steps may be conducted to the freedom that God wants to give to each one.

Dear children:

Prepare your consciousness for the time that will come, because I will give great announcements to you and the Redeemer will give them as well. I have said to you that the mysteries of the universe will be unveiled for all, it is the time.

Cry out to the Holy Spirit so that He will fulfill you with wisdom and prepare your consciousness for when these mysteries will be revealed. In Him you will find the wisdom to understand and together with My Heart, the peace to proceed with the designs of God.

Today I find myself together with you as I was yet in other times, closer, so much closer. Feel Me, be one with Me and also allow My Love to strengthen you in these times.

I want to germinate the seed that My Son left planted, which He planted with His Love in your hearts. When it germinates completely a great mystery will be unveiled and nothing will ever more be the same.

Today I want to transmit to you My Peace, My Love and My Mercy so that you know that I will accompany you always, as you have accompanied Me until today. I will accompany you until the end.

In you I am rejoicing, to Christ I conduct you and He will bring you to God the All Powerful.

Hail My Beloved Children, servers for always! God is in your lives.

My Maternal Love nourishes you, My peace guards you.

Thank you for answering to My call.

Mary, Queen of Peace.
