SPECIAL MESSAGE OF THE VIRGIN MARY, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA

Under the most pure Love of God, may Our Lord Jesus Christ be eternally praised.

My children, today I reveal to you a prayer to be pronounced with the heart and thus it will open the way to your hearts for the arrival of the Spirit of God.

Holy Spirit of Redemption,
come to us.

Holy Spirit that vivifies all,
illuminate us.

Holy Spirit of the Creation of God,
divinize us.

Holy and sovereign Spirit of the Celestial Father,
lead us to the true archetype of material existence.

Holy Spirit,
may you be glorified in the universe and on Earth,
for the eternal honor of God.

Amen.

I ask you to invoke the Spirit of God because when a pure dwelling is available in your hearts, this greater Light may inhabit. For, in the near future, my children, only the Light of the Holy Spirit will be able to protect your essences.

Only the wisdom that comes from the Spirit of God will keep your understanding healthy. Only the purity that comes from the Holy Spirit will keep you free from any energy that approaches your hearts. With a pure heart, you will be closer to God.

Invoke, invoke the presence of the Holy Spirit of God. Study My Words spoken throughout the years with your hearts because, within My Word, full of the Holy Spirit, you can find the keys that you so much seek, for this encounter with the Spirit of God.

The Holy Spirit, My children, will be the only Light that will not go out when darkness comes, and those who have the Light of this Spirit in their hearts will be like lighthouses for the souls of the world, they will be a source for the thirsty multitude, just as Jesus was 2013 years ago.

Jesus Christ was born in an era in which darkness reigned and, even in the search for God, there was death and suffering caused to others. Jesus was this Light which I tell you about because he was full of the Holy Spirit, and the empty hearts of those who accompanied Him ran through the valleys, as moths go towards the light in dark nights. Jesus was an inexhaustible Source of Divine Water for those thirsty in heart, soul and spirit because the Spirit of God does not become exhausted, end or perish.

My children, other times of deep darkness are approaching the entire world and no place will be free from knowing what must be known so that the learning of the human heart may be concretized. But it is necessary that there be suns amid the darkness, that there be those who manifest the relief of the thirst and hunger of souls, those who, following the steps of Jesus and through the Holy Spirit of God, become the Bread and Water of life to the souls who need it the most and who seek with thirst the Kingdom of Heaven.

Cry out for the unfathomable presence of the Holy Spirit because if your hearts are true and pure, this mystery will become clear and be able to be lived within your hearts.

If My Word today tells you that it is possible, you must trust in My Words and follow My instructions because I was once the bearer of the Firstborn Son of God and now I have been gestating within My divine Womb a race of Children of God, of Christs, who will be born from rebirth and will have upon their chests, in that moment of rebirth, the Christic essence, gestated within My Heart and blessed by the King of kings, Christ Jesus, Our Lord.

My dear ones, this is the great Divine Plan, revealed to your little hearts, day by day.

Who will open and dare to fulfill this?

I await you in prayer and union with God.

Mary, Mother of the Divine Conception of the Trinity.
