Message for the Apparition of Mary, Queen of Peace, transmitted in Manantiales, Maldonado, Uruguay, to the visionary Friar Elías

Dear children,

Praise be the Sacred Hearts of Jesus and Mary!

Today Heaven is celebrating the anniversary of the first Apparitions of the Virgin Mary in Medjugorje, Bosnia and Herzegovina, on June 25, 1981. For this reason, once again, Europe received the Grace of the intercession of the Lady of the Celestial Universe.

Today, in love and in immaculate devotion, I am united with each one of My little children. Thus, today, I tell you that peace is reigning in a part of the world, and that was possible because of the constancy and the prayer of each of the pilgrims of the whole world. In this way, a universal Marian fraternity has been formed through the devotion of all children to the Blessed Virgin Mary.

Each time I descend from Heaven, in My hands I bring the roses of salvation and My Heart radiates rays of peace upon those creatures most in need of them. Through the hope of My praying children, Mary, Queen of Peace of Medjugorje has been able to intercede with God once again for this entire humanity.

Dear children, today I want you to be My Message of peace for the world through your love for Me so that this healing love may be disseminated and reflected in those who hope to find God and who for various reasons have not found Him.

My children, as always, I tell you the absolute truth for your lives; today I will reveal the results that have been achieved in the Heavens through the presence of Medjugorje, as a universal Marian Center, and through the faith poured out in each prayer of the pilgrims of the whole world.

Dear children, if I have been with you for the last thirty-two consecutive years, imparting gifts and Graces to the hearts of My beloved children; the Queen of Peace, the Mother of God, brought about the blossoming of prayerful flowers in the Heart of God, and these flowers yielded their fruits throughout the world, and these fruits are now:

Perseverance in experiencing fasting as a means of conversion and spiritual wisdom for each child of Mine.

The great conversion of souls that were experiencing serious perdition.

The awakening to a life of deep prayer through the love placed by each being into the Holy Rosary.

The peace that has been established through the existence of the Marian Center of Medjugorje and the Marian Centers that were born in South America.

The determined ceasing of a third nuclear war, which could have destroyed the world; everything

was stopped through the powerful action of the Vigils of Prayer and the Adoration of the Eucharistic Body of My Son Jesus in Medjugorje.

The Confessions of all those who, through sin, stained the love of their heart, and who, through this Sacrament, achieved conversion and redemption.

The salvation of souls from the planetary purgatory and hell, souls that achieved Mercy and, today, through prayer, are blessed.

The awakening to Christian and ecumenical life in innumerable souls that were far from the Love of God.

The practice of the Message and the dissemination of the call of the Most Holy Mary through worldwide means of communication, which have made it possible to defeat the plans of the enemy, of making precious souls become lost through sin and temptation.

The unity with the Almighty God that many hearts sowed again within their consciences.

The coming of the Gifts of the Holy Spirit upon some consciences that you have known as ambassadors of peace.

The victorious Presence of Jesus Christ through the Ray of His unfathomable Mercy and the announcing of His Word through the daily Messages.

The triumph of the Immaculate Heart of Mary in the lives of each being, in the lives of each family and in each nation, through monthly Apparitions and the constant Vigils of Prayer, carried out by all the pilgrims.

The consecration of Brazil, Argentina and Uruguay to the Immaculate Heart of Mary, with the hope of the quick conversion of those who are still not redeemed.

Beloved children, witness and contemplate the fruits of Medjugorje and of Aurora throughout these last years of My Marian Presence and of the victorious accomplishment of the Work of the Queen of Peace.

Dear children, for these merits and for those we have yet to achieve, I thank you for faithfully and lovingly responding to My eternal call.

Mary, Queen of Peace of Medjugorje, and the whole world

After the transmission of the Message given by the Virgin Mary, with great sweetness and love, our Mother said to us:

Dear children, in commemoration of the anniversary of My Apparitions in Medjugorje, today I give you the following prayer of Consecration to the Queen of Peace.

Consecration to Mary, Queen of Peace

Beloved Sun,
that shines perpetually

in the heart of the Universe.
Beloved Rose of Love,
that emanates sublime aromas
of sanctifying prayer.

Beloved Eternal Light,
that comes from the Heart of God.

Blessed Star of the morning,
that kindles our lives with love,
today we consecrate ourselves to Your Immaculate Heart.

Give us inner strength, give us bravery,
give us Your Beloved Love
so that, in Christ and for Christ,
we may achieve Eternal Life.

Amen.
