WEEKLY MESSAGE, TRANSMITTED BY THE BLESSED VIRGIN MARY TO MOTHER SHIMANI

My dears,

You already know, because it has been My instruction and the one of My Son, that the Reconciliation with God, Our Lord is a step that all must take in these times.

To reconcile means to take this step towards the Heart of God, trusting that His Will is the best for all, even though at first you may not understand what it is about. This is the first step to attain peace.

You must live this reconciliation also amongst yourselves because this is the Will of Our Father. If you aspire to live in the Will of God and to serve in His plan for the Earth, you must reflect about the opportunity that you are receiving in these times, the one of being under My mantle of protection and under the Ray of Mercy of My Son.

Do you, by any chance, think that your ideas and thoughts are worth more than the Graces that Our Lord wants to give you?

Do you, by any chance, find more peace in your minds than in My Heart or in the Heart of My Son?

Remember that My Love of Mother has called you to be in sacred lands to love you and serve you where nothing from the past may disturb you.

Surrender your beings to the sacred task of serving the Mother of God and the Firstborn Son, and definitely abandon the old garments.

It is necessary that you convert your hearts into flames of light that permanently illuminate the path of others and, for this, it is necessary that your consciences be free from all that the world of illusion has taught you.

Brotherhood and fraternity, dear children, are based on greatness of the heart, on transparency of thought and on inner determination. Before the Plan of the Divinity for Earth, no personal impulse makes any sense.

Pray, pray for the reconciliation of all souls. Pray for the conversion of all My children and you will be praying for each one of you and for all humanity.

I wait for you within My maternal Heart so that you may reflect together with Me.

I love you and I guard you inside of My Heart.

Mary, Mother of all of the creatures.
