**WEEKLY MESSAGE, TRANSMITTED BY THE THE MOST HOLY MOTHER MARY TO THE VISIONARY FRIAR ELÍAS**

Dear children of Mine:

On this 29th day of June, a day in which celebrates the saintly presence of the Apostle Peter, the first and venerable Pope of humanity, blessed by My Son Jesus, I ask you, My children, that during this next week, which will start in the month of July, you pray for the Holy Father; especially so that His actual work can be blessed by the merciful plans of God.

Dear children, as Mother I intercede everyday for you before My Son, so that you reach conversion and the path to paradise; I also pray perpetually as Lady of the Graces, so that the leaders that guide the flock of My Son, that is, the shepherds of Christ, profess the faith and the love that they guard in their hearts.

Dear children, so that the Grace of conversion that the good shepherds radiate can be realized, it is necessary that they be present in your prayers all the time. In this way from the inner plan of the heart, the true miracle of love will occur among your consciousnesses and the consciousnesses of the shepherds by means of healing of the heart and reconciliation, because sometimes you have not understood and valued their souls, and have just seen the shepherds as people.

My children, God created the universe, the world and humanity so that they could grow in faith and in absolute trust in His Divine Will.

For this, My little ones, it is time that you live in the love of the heart, true and saintly love that provides you with My Son Jesus in the Eucharist, as in the monthly confession; a confession that you must practice, at least once a month, so that your soul and your heart are free of serious stains.

For this day of Saint Peter, the actual Papacy has been consecrated again by the eternal and loving prayers of the Immaculate Heart of Mary, in the same way that this Papacy of My son Francis has been consecrated by himself to the Most Pure Mother of God.

Why does Our Lady have faith in this Papal Ministry?

Beloved children, God sends Me to consecrate your lives to absolute faith and conversion, so that you can reach redemption. My Heart of Mother guards special preference for simple souls, and when I ask you to pray with love for the Saint Father, it is so that you support and help, without judgment, the challenge that will be faced in these times by My son Francis consecrated to Christ; because the true Church of Christ will form the hearts that unite as souls.

For this I am calling you to ecumenism, that which was seen and written about by My son John, the Apostle.

Dear children, in this way I am asking for the support and the prayer of the Christian Communities

of Light, so that they may be united to this important spiritual event in Rio de Janeiro, Brazil, that by My divine intercession will rescue the most unprotected hearts.

I invite you from the soul and from the heart, and in permanent prayer, to unite to and to join the sacred coming of the Holy Father, because Brazil will receive, by means of the Church of My Son, the essential awakening of the consciousness, the recognition that all Brazilians, My beloved children, must act through peace and through faith in God the Father.

Dear children, in this way I am inviting you to imitate on this day and on the days that will come, the spirit of peace of Saint Peter and, thus, I want to consecrate you as real ambassadors of peace for this time.

The hour and the time to unite the hearts and the consciousnesses through the Love of Christ have arrived.

I thank you for listening to me with attention and devotion!

I bless you,

Mary, Queen of Peace and Mother of Brazil.
