**MESSAGE OF THE BLESSED VIRGIN MARY TRANSMITTED BY MOTHER SHIMANI**

When the Divine Mother established the contact She very softly sang a beautiful melody and these words:

"... Ora pro nobis... Ora pro nobis" ("...Pray for us... Pray for us")

Listen to My Voice that asks you for more prayer. Listen to My Voice that clamors for more prayer from the heart.

Sing to contemplate the Heart of My Son and My Immaculate Heart.

Sing to elevate your souls towards the spaces where We, the Messengers of God, are, and there we will teach you to contemplate the Consciousness of God so that in this way the Source of Mercy and Forgiveness for humanity may descend.

Sing so that your souls may quickly arrive in the planes where Light and Peace share with the angels that eternally praise Our Lord.

If you did this, you would contemplate with the heart the Kingdom of the Heavens.

Sing, together with the Angels praise the Kingdom of Our Father and see your consciousnesses converted into divine Light.

I know that you little understand what I tell you, but those who seek to accomplish these, My requests, as the Divine Word pronounced for My little creatures, will get to know one of the universal mysteries that have always been available for the Children of God.

Elevate your prayers as Celestial Music towards Heaven and the Lord will listen with immense gratitude to your song of the heart.

Offer your talent, the one that God has given you so that through the Creator Word the essences and the souls of humanity, which suffer in dark places, may be rescued by Me and by My Angels. This melody of love will open the doors of the abysses and there I will enter to rescue My children that are lost.

Elevate yourselves, My children, elevate yourselves through the Word made Celestial Music and find in it a sacred instrument of love and redemption.

I wait for you in the Kingdom of Heavens to play this sacred instrument and to have you travel together with Me through the unfathomable abysses where My other children wait for an opportunity to return home.

Sing, My little ones, sing through your spirit!

Thank you for responding to My call of today.

---

Mary, Queen of Peace and of the Celestial Sound.
