MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED TO MOTHER SHIMANI

My beloved children,

From heart to heart today I say to My beloved souls to hurry and start praying because the need is great in the world.

My plans of peace are being carried out together with My Marian soldiers and this is the time to unite ourselves shoulder to shoulder and heart to heart so that those who have always denied God may not find how to inflict in the hearts of My children the spiritual blindness that sprouts from this planetary chaos.

Today I have come here to reinforce in your hearts the faith in My Son and in My Immaculate Heart. Your Redeemer, day by day through His instruction, sends all of His Codes of Peace, Mercy and Love, codes that convert the hardest hearts.

He lovingly prepares the dwelling of each member of His Flock so that when He arrives, all of His Sheep will already be grazing in His Meadow.

Some time ago I told you that My Son would enter with power in your hearts, that His Redeemer Love would dissolve any doubts, any pain or suffering. His love is so great that no fear may exist in those that embrace His Mantle of Love.

Today I announce for you the good news: that My Son will accompany Me before long, when I will be with you dear children. He will unite His Love to Mine and will give to everyone the new signs of His Return.

Announce to everyone that the Love of the Redeemer and of the Mother of the World will impregnate the soul of each child of this humanity that opens its heart and that trusts in the Love of these two Messengers of God.

Remember to put on the altar that you will offer me in the next apparition a candle for the King of the Universe, that in soul and in spirit is coming.

Prepare your hearts so that all of the Universal Love may reach and enter into your beings. He will heal all the pain, redeem all faults and clean all consciousnesses that in gratitude will be in front of God Almighty.

I leave you My Celestial Peace for all. My mantle of light covers you with Divine Protection.

I love you, I wait for you.

Mary, Queen of Peace.
