MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN MALDONADO, STATE OF MANANTIALES, URUGUAY, TO MOTHER SHIMANI

I will arrive to any corner of the world, there where a soul needs My help and the Mercy of God.

For this, dear children, do not be anxious about the continuity of My presence, because I will be with you always in this redeeming task.

Although many of My children do not live today in the spirit, My Immaculate Heart is comforted when My brave soldiers are always ready to attend to all of My calls.

This is how the Plan of God is realized for His Creatures, through the fidelity to the purpose of the Father and the valiant intention of following to the end.

I want that you recall the teachings of Jesus to His Apostles. He instructed them on fraternity, detachment from the things of the world, and the absolute and faithful love to God and to His Plans. It was thus that they, overcoming all of their fears and transcending their human atavisms, were able to bring the Word, the teachings about the new world and the new humanity based on the love that Christ taught them to live.

Dear children: study the Events of the Apostles, because there you will find many keys for these times and for the tasks that some of My children will have to realize. Let yourselves be impregnated by the knowledge that your soul is gathering in each prayer made with the heart, and deposit your aspirations there.

Today I bring to you My Maternal Love and I wait for you in our encounter during the apparitions of these next days. Wait for Me in the inner silence, in the quietude of your soul, so that the Spirit of God will come with Me.

I love you and I bless you.

Mary, Mother of the Divine Conception of the Trinity.

Thank you for being today with Me.
