MESSAGE FOR THE APPARITION IN THE CITY OF SALTA, ARGENTINA, TRANSMITTED BY MARY, QUEEN OF PEACE TO THE VISIONARY SISTER LUCÍA

I am the Morning Star, announcing the Sun that emerges in the life of all My children.

I am the One who once gestated the Firstborn Son of God, and who now comes, once again, before the Lord, announcing His descent upon the Earth.

I am the One who lived by Faith so that Christ could find encouragement and strength to be renewed in God during His Passion. When He was a child, I nourished Him with the milk that flowed from My Heart, and, in His Passion, I nourished Him with the Faith that came from within Me so intensely that I felt that I could not bear being there.

Today I come accompanied by My Glorified Son, so that together we can nourish humanity with Faith on this path of sorrowful ascension.

Well, if the Lord has already lived the Passion for all of us, we must achieve this same Faith and this same power to rise, rise and rise again, after each fall.

My Presence, accompanying the path of humanity, is to nourish and always strengthen your hearts. I only need that each of you, just as My Son Jesus did, be able to look into my eyes and feel the Love that I bring you.

Trust in Me, just as Jesus trusted, and soon you will understand that I am always there for all of you. And when you feel loneliness and discouragement, simply seek Me. Look to the side and you will see Me. My arms are here, always open. My Mercy is the infinite power of renewal.

I am with the Father and the Son and I lead you to Our Kingdom, the Kingdom of Heaven, to which all souls of this world belong.

Come, come without delay into My arms. In Me, there will be no fatigue, only faith and eternal sacrifice.

As the Mother of each one of you, I wait for you day and night so that you return to Our Home. And I will neither sleep nor rest until I see you arrive.

Confirm the Glory of God in the joy of serving Him.

I accompany you, as Pilgrim Mother, throughout the whole day today, to show you the signs in everything that I ask of you, so that you learn what God needs you to learn on this day and in all of life.

I adore all My children and I am beside you always.

Mary, Queen of Peace
