WEEKLY MESSAGE, TRANSMITTED BY THE VIRGIN MOTHER MARY, QUEEN AND GUARDIAN OF THE SAINT EUCHARIST IN THE CITY OF DURAZNO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS

Dear children:

With love, bliss and blessings, I return to your encounter from Heaven to remind you and to let you know the infinite and precious value of Jesus in the Eucharist.

For this reason, My Immaculate Heart today brings the stamp of the Sacred Body and the Precious Blood of My Son Jesus, so that all My children of the Earth remember the importance of living by means of the eternal presence of My Son.

I want to let you know how important it is that you meditate and contemplate on the presence of Jesus in the Eucharist, from the moment in which His Body and His Blood are consecrated by the shepherds that He himself has chosen and called so that they profess the love of Jesus. And also today I have come so that your consciousnesses remember the presence of My Son from the moment in which your souls received communion of the Merciful Light of Christ.

Dear children:

Why do I say all these things to you? Because as Your Mother I hope that in your inner vision you reach greater universes, to be able to understand that Christ lives and reigns in your essences all the time that you permit it, and from the moment of each new communion with His Divine and Holy Spirit.

In each new exercise of Communion with the Body and the Blood of Jesus by means of the Eucharist, He tries to enter and remain working through your little hearts. This mystery of the Eucharist hopes to be revealed to all the beings of the Earth, because in this way all the souls will be prepared with more consciousness to form part of the Mystical Body of Christ before His return to the Earth.

To live in the Mystical Body of Christ is to be donation. To live in the Mystical Body of Christ is service and love of the Will of God. For this it is time for you to go further beyond the act of communion, to understand that the celestial universes will be open before the eyes of all those who want to see.

All those monastically consecrated to the Sacred Heart of My Son should dedicate to Him at least five minutes after Communion with the Holy Body of My Son; in this way with more consciousness, reverence and love, they will shape the consecrated life as a living reflection of the presence of Christ. Each time that a soul contemplates internally the Body of My Son that they have received, the precious part that God has brought them can make them transcend all the difficulties of life and of the world.

For this today I come to your encounter as Queen and Guardian of the Holy Eucharist, to transmit to you the spiritual values and the merits that all can reach in this time, when receiving communion

only with a different attitude and giving to it another importance.

I hope that My maternal words have offered light to each one of your consciousnesses, because in this way you will be one with My Son and My Son will be One with you and will be accomplished the Will of God in the creatures, closing definitively the hells in the world and awakening conversion in all the souls.

Have a good exercise of communion and of renovation with the Glorified Body of My Son.

I thank you for answering My call of the end of time!

Mary, Queen and Guardian of the Holy Eucharist.

At the end of the message the Virgin Mary transmitted to us the following prayer of union with Christ, to be recited at all times following the Communion with the Body and the Blood of Christ:

Prayer of Eucharistic Union with the Master Jesus

**Sun of God,
that illuminates the darkness of our lives.**

**Spirit of God,
that liberates the faults of our beings.**

**Come, Sacred Body and Precious Blood of Jesus!
so that, united to You,
we may reach eternity and paradise.**

Amen
