MESSAGE FOR THE MONTHLY APPARITION OF MARY, MOTHER OF HUMANITY, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

My little disciple:

Rest, rest from yourself and do not worry, you know that today you live in a time full of tribulations and tests; carry on firmly, waving the flag of peace that I have given you in the name of My Son. Do not get discouraged, unite yourself to My Heart and celebrate with Me in the altars of Heaven.

Today I come to ask you to repair your heart from anything that has hurt you. Today I come to ask you to be happy as God so wishes for this.

You are part of My Grace and by My Grace you have been born to life. God gave you eyes so you could see Me. God gave you arms and hands so you could serve. God gave you feet so you could walk along the path of the good pilgrim.

My child, My beloved, I know you know the difficulty of your sins; I come to give you, in the name of Christ, the resurrection of your spirit, precious to the Eyes of the Creator and beautiful to the Gaze of the entire universe.

I will help you, hold fast My hands, take My arms and hold Me as you have never done before. Trust what God the Father places on your path, everything is perfect in the eyes of Jesus; He will give you strength to carry on and you will not waste time in this world.

Today I come to announce Myself as His immaculate Mother, accept the redeeming call that I present to you and be sustained under the Light of My Sacred Heart. I come to ask you for the fidelity and the peace that dwell within you, you are a part of a new Project thought by God.

Commune of My Son and you will not regret doing so, if you were called it is because you are worthy of the Lord. With My blessed water I will wash your face from all stain and you will be purified and presented as Jesus in the Altars of Heaven.

Dear child of Mine, look at My blessed hands that are extended before you and wish to touch your soul. Enlighten your soul by means of the fire of the Holy Spirit. Invoke the Spirit of God on your paths.

I come to show you that you can be humbler than you try to be. I come to consecrate you as My disciple of love and redemption. My Voice will not stop speaking until you and your brothers and sisters have taken the step.

The Aurora of the new time dawns in the brave hearts and the servers are summoned to a greater unity with the Infinite. Thus, dear server, do not tire yourself from searching for the right path, My

Heart indicates the portal that you should cross on behalf of many.

Have patience, have love, have will and I assure you that you will get to Heaven and merge yourself with the God of Love. Unite yourself with Christ and let Him completely transfigure you. Hide yourself within His Wounds and let yourself be transformed. Keep your being in His Glorified Heart every day and you will receive the blessing of His infinite Mercy.

I am here for the last time. I am calling the sheep so they recognize the true Shepard that is coming.

I thank you for being consequent with My divine call!

Let go of your guilt, heal your hearts, love and forgive each other, as God wishes.

Mary, Mother of the World and of humanity
