DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SANTA ELENA DE UAIREN, GRAN, SABANA, VENEZUELA, TO THE VISIONARY GRAY ELÍAS DEL SAGRADO CORAZÓN

Dear children,

All the human and spiritual efforts that My serving children make are recognized by the Celestial Father; and a form of inner Grace and atonement is granted to that soul which, opening its heart to God, listens to the request of fulfilling the works of Heaven.

Dear children, for this reason, today I invite you to follow the path of sacrifice for all of humanity, so that in this way your lives may attain holiness and the fulfillment of always serving My Son.

I, as your Mother, always take care of everything, of your lives and of your small consciousnesses, and give you the possibility of loving the Will of God, just as I love It all the time.

Dear children, continue brave and serene, continue meek and strong through this path of consecration to the Plan of God. In truth, My beloved, you are invited to follow the first steps towards an overwhelming holiness of the soul and of the consciousness, holiness that is also found through peace.

I am united to you, I see and feel in your hearts the effort to love the essence of sacrifice, which will give you redemption and will open the doors to new states of consciousness.

Dear children, let us continue praying. In the silence of the heart everything can always be comprehended and the sacred Divine Will be lived.

I thank you for responding to My call!

Who unites you to the Heart of the Redeemer,

Your Mother Mary, Rose of Peace
