Special Message of the Most Holy Mary, Rose of Peace, transmitted at the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Sister Lucía de Jesús

Account of the special Message:

Responding to a request of Saint Joseph, we were fasting and in vigil during the whole day at the Marian Center of Aurora. To prepare the procession of Saint Michael, which would take place for the first time, different groups of prayer were praying from 7 am to 7 pm, at four points of the Marian Center: at the Archangel Saint Michael Hermitage, at the "Adoration Home", at the Portal of Peace, and at the Geodesic, where there is a picture with the image of the Glorified Christ.

At 8 pm, the brothers and sisters present at the Marian Center began the procession of the Archangel Saint Michael and, at that very moment, I was with some brothers and sisters at prayer in the monastery, when I had a vision: I saw many souls in different situations of suffering, which were coming from the Middle East to the Marian Center, and were being assisted by the portals of light that were opening at the points where we had been praying all day.

After a period of time, I saw an angel dressed in white that positioned himself over the Saint Michael Hermitage. He says: "I am the Angel of Peace." Behind him, I saw a great portal to the Celestial Kingdom, through which I saw choirs of angels intoning divine melodies, in many voices. The souls that reached the Marian Center began to go through the portal behind this angel towards Heaven.

Some minutes later, I saw Our Lady appear as the Rose of Peace. In Her hands She had a great rosary and, with open hands palm down, She spoke a prayer in a loud strong voice. Mary thanked us for the prayers we did all day and, in spite of being very grateful, Her countenance still reflected great sadness and concern. Next, in Mary's hands appeared a mantle stained with blood; it was almost all scarlet. I asked about this mantle, and Our Lady answered: "This is the Holy Shroud that restored the Body of My Son Jesus."

At that moment, I saw many souls that arrived decapitated, mutilated and tortured in different ways. Our Lady was wrapping them in the Shroud of Christ and was restoring them. Those souls were being reconstituted, and then were going through the portal of light behind Mary.

What I felt was unexplainable on seeing the eyes of those souls when they saw the countenance of Our Lady and tired, moved into Her arms. Mary transmuted and transformed all their sadness and suffering and lifted them up to Her Kingdom. After a long time carrying out this movement, Our Lady gave us a special message, saying:

Children,

My Immaculate Heart was present today at all the Marian Centers of the world and in all the homes of those who offered Me a sincere prayer for peace, proclaiming the victory of My Son Jesus in all

souls that cry out for Mercy and for Justice.

Know, My beloveds, that there is still much to be released, and I come to this special meeting with you so that, in My Presence, you feel the merits of your prayers.

Today I unite with those who pray in the world and cry out to the Father for Mercy for My little ones that are lost in the suffering and anguish of a constant fear of death.

My children, through My Presence here in this Sacred Center, I ask that your hearts and spirits continue to be moved to make the days of vigil a permanent practice in your lives.

The world is in agony and it wounds the Heart of God and of His Messengers. Many are losing their faith and hope in the face of an uncertain spiritual destiny. My little ones are asking themselves where God is to help them in their suffering and pain, and I tell you, My beloveds, that God is in the heart of all those who cry out for Him. Thus, carry the Peace of your Lord, placed in your hearts, for the souls most in need.

In prayer, together with Me, hold the Holy Shroud that restored the scourged Body of My Son, to restore the souls and spirits tortured by the darkness of the world.

My beloveds, you are no longer ignorant about the planetary reality; do not allow more hells to be opened in the world. Pray, pray without ceasing. Bring relief to My Heart, so that I may intercede for all.

I am counting on your prayers, on your petitions, on your most sincere praying.

If your eyes could see the light that shines again in the eyes of those who find My Immaculate Heart once more after suffering so long, you would not waste even a second of your lives without asking for the Mercy of the Creator.

Establish the Kingdom of God in the world and cry out for His eternal Pity.

I bless you and thank you for responding to My call. Never cease to listen to Me.

Your Mother Mary, Rose of Peace
