MESSAGE FOR THE APPARITION IN THE CITY OF TRINIDAD, GOIÁS, BRAZIL, TRANSMITTED BY MOST HOLY MARY, LADY OF THE ROSARY, IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May there be opened the doors of the Kingdom of Lis, a Kingdom of Purity, a Kingdom of Love, a Kingdom of Devotion, where the souls find Peace and the union with the Essence of God.

May there be opened the doors of the Kingdom of Lis so that the thirsty, the forsaken, the lost, the wounded, the sick of body, of soul and of heart, may be able to enter to receive healing and forgiveness.

May those who proclaim My name and clamor for Mercy and for intercession before My altar rejoice profoundly today because I am opening the doors of My Kingdom on Earth, the Kingdom of Lis, the Kingdom of Fatima, and those that may unite to My purpose with the heart will serve as a bridge between this Kingdom and all the places of the world.

Children of Mine, I ask you today that, in a special way, you pray the Holy Rosary so that My Kingdom may be expanded in the world and My presence may not be proclaimed only in Fatima but in all of the hearts.

Today I want that the afflicted find comfort, that the sick be healed, that the thirsty be satiated, that the anguished find peace and that the sinners receive Mercy.

Tonight, when you light the candles to receive Me, remember that the Kingdom of Fatima is lit in devotion and unite to the font of peace and redemption that I will make descend to the world in this moment.

It is already time for Justice, My beloveds. The debts of the hearts will be collected by the Laws of Heaven and of the Earth and in order for the Mercy of My Son to continue to be hope for the souls, it is necessary to exist merciful hearts in the world.

God is Just but also merciful when He finds in the world those that are willing to be bearers of His Mercy for all of the souls.

Admit, My dear children, that the times are already something else and that the inner maturity needs to be born in all of those that listen to the voice of God. When I say this I am asking that you never forget the existence of a higher life, of the responsibility that you have undertaken in face of the fulfillment of the Plans of God. When a soul does not want to grow, it forgets every day of its commitment with God and it gives itself the same permission to not comply with the Celestial designs.

You already know the part that is due to you to fulfill. God speaks to you by means of His Messengers every day. Uncountable were the Graces poured and infinite was the Mercy granted to the world so that you could awake and fulfill the mission of living on Earth as one lives in Heaven.

This is reached by following the steps dictated by the Messengers of God and by denying every day the love for the material things, dying to the world and being born again to the life of the spirit.

My beloved, the Kingdom of Lis is a spiritual reality that transcends My beloved Sanctuary of Fatima. There I constructed My Kingdom in the invisible, as I have done in Heaven. Those who believe in My words will find It. Those who already know It will awaken It, and those who have already awakened It in their interior will live It and expand It throughout the entire world.

Sing and pray with fervor! Today is a day of Grace! Today is a day of Glory!

The Kingdom of God descends to the world and is consolidated in the inner of those who say yes.

I leave My blessing to My beloved children of Europe, to the children of Lis. May they be the main door so that My Kingdom may be expanded throughout the world.

Proclaim the Kingdom of Lis!

Live Mercy, Peace and Redemption always!

I love you and invite you to the perpetual prayer of the heart.

Your Mother Mary, Lady of the Rosary, Queen of Lis
