MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF FIGUEIRA, TRANSMITTED BY MARY, ROSE OF PEACE, TO MOTHER MARÍA SHIMANI DE MONTSERRAT

My beloved children,

In the awakening of the Universal Love in the hearts of this world, My maternal consciousness distributes in the souls of all My children the Wise and Eternal Love of God.

My consciousness of mother uses all the possibilities that the Eternal Father allows Me, in order to nurture each soul with the codes that will allow all of My children to reach Paradise, where the Kingdom of God waits for you.

For this Universal Love to be able to awaken, the experience of the "self" must be in a deep process of transcendence, in which the souls will be the ones to govern the personalities of the beings, carrying forward the commands that the spirits impel in the service that each consciousness must do for God.

When a soul is suffocated by the needs of this world and subdued by illusion, the spirit that should guide and command it, loses the possibility of conducting the evolution of each child of Mine, and in this way the efforts are lost, nulled by the demanding material life.

The soldiers of Christ, the ones who have been summoned since always by My Son to support the purification of this planet, must have it clear that they will be exposed to these definitions, in which the soul will feel the intense pressure of the commitment with the Heights as well as the intense pressure of material life. Know, beloved children, that nothing can prevent this to happen, because My Son must know on whom He can truly count.

To be a soldier of Christ is not only a label placed on the forehead. A soldier of Christ is the one who knows that their Lord is the first thing in their life. That from Him and through Him all other things of life are driven under His Protection, His Guidance and His Will.

A soldier of Christ loves completely the chosen path. Without doubting that whatever happens they will be guided and placed wherever it is necessary, wherever their Lord needs them to be.

A soldier of Christ is a consciousness that knows that the Plan of Rescue, to which they have been called, is not only for their own sake, but for the sake of all humanity and they also know that they will not receive any reward in this life.

A soldier of Christ does everything out of love for their Lord, without expecting any results; just for serving, loving and living the major surrender.

A soldier of Christ trusts in their Lord above all things and out of love for Him, surrenders day by day their whole life, the great and minor things to the heart of their Lord.

Children of Mine, who offers themselves to be soldiers of the Redeemer? I come in this time to call you for this great task and I will protect the lives and the paths of the simple and brave children of Mine who surrender out of love for this universal task.

Today I protect and take care of you with all My Maternal Love.

Thank you for being with Me.

Your Mother Mary, Rose of Peace
