DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

While the good souls pray the Hail Mary during all this day, at this Marian Center that was founded by My Immaculate Heart, the angels of God congregate the lost souls, calling them to live redemption and the immediate rehabilitation of life.

Your Celestial Mother crosses the universes as a beam of light, which is poured over the world, to liberate it once again from the constant oppression caused by My adversary.

For this, dear children, the endless caudal of your prayers spiritually reconstructs many situations, those which are found in the culmination point of their own collapse. When souls pray with the light of the heart, your Eternal Father asks His angels to descend to the world to help it.

If there were always a true answer, that flows out from the love of souls for the Plan of the Creator, there would be a door of light, which would be opened through Christ to relieve suffering and sorrow.

In these times of crisis, the instrument of your prayer, united to the perpetual prayer of your Celestial Mother, will awaken in the world a greater hope and, above all, the victory of My Son will happen once again in humanity, but this time it will be through His Infinite Mercy.

When all of you gather monthly to pray the thousand "Hail Marys", My Heart feels the comfort promised by all Its children, and thus the thorns that surround My Immaculate Heart are removed and, at My feet, the angels place the prayers as precious flowers on the altars of the Creator.

My children, today I invite you to believe, above all, in the incalculable power of the prayer of the heart; something that My adversary does not know and fears, because prayer makes all who pray with the heart invisible and, thus, they are separated from the danger of My enemy.

For this reason, dear children, may your voices do not get tired of repeating and pronouncing the glorification that your Celestial Mother received directly from Her Beloved Lord of the Universe. Be spokespeople for prayer so that in this way, your lives, living the purification cycle, may only seek to elevate themselves as the angels do by living the eternal communion with God.

Your Mother of the Divine Word, the Lady of the Sacred Word, teaches you to love prayer and to practice it in this school of renewal that you live with Me today.

While the world puts its attention on other paths, which are not the paths of the Lord, Your Mother and Rose of Peace tries to re-educate you, so that in times of crisis you may be formed as sacred armies of Her Immaculate and Divine Heart.

My maternal gratitude extends today to all the praying beings who month by month during the thousand "Hail Marys", open the doors of Heaven so that I may descend to the world and pray

always at your side; although you may not be able to see Me, My Omnipresent Spirit will embrace you, just as the Eternal Father embraces you with much love.

I thank you for answering to My call!

Who consecrates you through the immaculate spirit of prayer,

Your Mother Mary, Rose of Peace
