DAILY MESSAGE OF MARY, ROSE OF PEACE,

TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

I unite you all by means of My Maternal Heart, and who is truly with Me, in heart and soul, will never separate themselves from this unity.

Without Christ your lives may not bare much longer the siege of My adversary and perish. The one who lives the sacred unity is not separated from God and always recognizes His Will in all things.

In these times, the souls are summoned to the path of the heart and not to the path of the mind; it is with their hearts united to Mine that they will be on the correct path and in the correct place, without leaving behind all that must be converted in Christ and through Him.

Seek this sacred unity in your interior and banish your ideas on how to improve everything, because in truth I tell you that God fixes it all and He knows in His humility the moment for each stage of your lives.

The first step of maturity is the unity of the heart with God and His Divine Will. If you do not manage to live in simplicity for the sake of a greater aim, greater will be the difficulty to transcend the times.

The second step of maturity is the purity in all that you do, even if you try it many times, perseverance will strengthen you.

I thank you for answering to My call!

Who unifies you,

Your Mother Mary, Queen of Peace
