DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BOA VISTA, RORAIMA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Dear children,

Today remain in the arms of Your Mother so that this act may represent, before the Throne of God, the response to the union of all souls with the Creator. This affiliation with the Celestial Father is what hearts should resume after having separated from God through the realities of life.

As your Heavenly Mother, I bring the possibility that hearts reconsider and find again the union with the celestial universe.

The lack of affiliation with God generates discord and darkness in the hearts. The Eternal Father is the Source that renews all things and grants the most special Graces to hearts that trust in Him.

Beloved children, it is thus that through the fervent bridge of prayer you will hold the doors of Light open for the world, and so that the most lost souls may reintegrate with the pathway that they have lost sight of.

My children, this affiliation with the Most High could regenerate planetary life and guide all souls to the fulfillment of the Universal Purpose.

I thank you for answering My call!

May Peace, which is My Peace, be amongst you,

Your Mother Mary, Rose of Peace
