DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED ON THE EAGLE OF LIGHT BUS, DURING THE TRIP FROM JOINVILLE, SC, TO THE CITY OF PORTO ALEGRE, RS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

In order for the Campaign for Peace to be a true reality in the world, peace must first be present in your hearts.

The Youth Campaign for Peace hopes to have its birth in the city of Florianópolis, but the expectation is that this campaign will immediately be disseminated to the States of Paraná and Rio Grande do Sul, which together with the State of Santa Catarina, will be the epicenter of this campaign, that will later expand through the whole of Brazil, Latin America, and finally throughout the whole world.

As from the beginning of the Campaign for Peace with the Youth Festival for Peace, and when all the youths of Brazil congregate in Florianópolis for the first meeting, it will be the moment, My children, when it will be disseminated to the different regional universities of Santa Catarina, Paraná, and Rio Grande do Sul; from the student body will spring forth the first impulse that later will spread to the rest of the universities of Brazil.

This is how, dear children, that the first Youth Festival to be held in the month of July in the city of Florianópolis will have moments of service to humanity and to the Kingdoms of Nature; also moments of art and of music, sources of expression for the youth, which must express fraternity, harmony, and love for the planet.

When the first Youth Festival takes place, it being an ecumenical meeting that will be sponsored by companies that can contribute for the Youth Campaign for Peace, through the youths that will participate in these meetings, the universities of Brazil will be able to extend this invitation for peace to other universities in the world.

It will be in this way that the first Youth Festival for Peace will have its own recording label, so that all that is created by the youths may be disseminated to other places on the planet; this recording label will be the same that the Association Mary will found to support the musical art created.

This impulse of the Youth campaign for Peace expects to reach unbelieving hearts so that they may believe in God.

I thank you for responding to My call!

Who is in union with the spirit of the young,

Your Mother Mary, Rose of Peace
