APPARITION OF THE VIRGIN MARY, IN THE CITY OF JOINVILLE, SANTA CATARINA, BRAZIL, TO THE VISIONARIES FRIAR ELIAS DEL SAGRADO CORAZON DE JESUS AND SISTER LUCIA DE JESUS

Friar Elias del Sagrado Corazon de Jesus transmits the Words of the Virgin Mary:

Dear Children,

I wish to constitute here, in this place, a strong prayer group that prays for the whole European consciousness, especially for those who were immigrants through the ages.

I wish to constitute here a precious oratory dedicated to My Immaculate Heart, so that I may pour out Graces, not only in Brazil, but also in Europe.

Assume, dear children, My Face of Our Lady of Guadalupe as the great teraphim of your lives, as the sacred icon for your hearts, by which, through My Immaculate Heart, you will be able to unite all continents and cultures, peoples and nations, by means of My Divine Mother Spirit.

I also desire here, dear children, that you work extensively for your conversion; that your hearts be ignited through the flame of My Immaculate Heart; for thus, dear children, I will be able to have you all in My most pure Womb, I will be able to gestate new things for your lives and conquer your hearts thus fulfilling the request of God to manifest His Work, in these times, in all hearts not yet redeemed.

Dear children, open your arms so that the flame of My Love may penetrate your hearts. Feel the maternal warmth of My Heart that only wishes to embrace and console you, so that your feet may walk on the path that I offer you in these times, the great path of redemption and peace, which all hearts must contemplate in order to be filled with the great Heart of the Celestial Father.

The reason for My Presence in this place, dear children, is so that I may lead you to My Beloved Son, who waits for souls who can awaken to the path of Mercy that He also offers you at this time.

Feel in your spirits the great celestial consolation that comes from the Heart of the Father and that today radiates throughout the universe and to all hearts open to receive this spiritual energy.

I also desire, dear children, that your lives be reeducated in the principles of the Holy Family, of kindness and charity, so that you, coming out of yourselves, may perceive how great is the need in these times; not only in this city that I visit today, but also in the whole world, where there are great planetary needs, mainly in the souls who suffer for those who do not serve God and who are asleep because of the illusions of this humanity.

I come to open your eyes, the eyes of the heart and soul, so that you may participate with Me in this perfect unity with the Most Holy Trinity and thus your spirits, which today little by little awaken before My Presence, may receive the Gifts of the Holy Spirit and begin a new life in Christ, your

Lord.

Sister Lucia de Jesus transmits the Words of the Virgin Mary:

I would like to reveal to you tonight the mysteries of My Immaculate Heart, mysteries that you must live in order to make life itself sacred.

Today, I come to this place, My children, so that humanity may understand that the errors of the past often remain in hearts throughout the centuries and do not receive the healing and liberation they need until the Mercy of God is poured out upon those hearts.

The ignorance of My children, those who brought chaos and evil to so many hearts, to the native peoples, seeking to educate them in a culture they did not understand, still lives, My children, as a deep pain in the heart of this Earth. And the healing you need as humanity can still descend upon the world if your hearts become prayerful, servant, true before God.

Human consciousness, My beloved ones, is only one. Therefore, the devotion you have for My Immaculate Heart, in this place, can expand to many other hearts of the world, provided you unite your intentions to My Divine Intentions and truly walk for the manifestation of My Plan on this Earth.

The Creator sends Me to this world as His Servant to perpetuate the example of the Holy Family, so that you may never forget, My children, the principles which We gave you when We were in the world.

My Holy Son Jesus showed you the example of surrender and self-giving. But, in the silence of Our Hearts, Saint Joseph and My Heart also gave you an example of life, of goodness, of fraternity; an example that you must live in these times to heal the degeneration of the human heart.

Children, while you are before Me, many are lost in ignorance, many throw themselves into the abysses of darkness and terror that human kind itself has opened in the planetary consciousness.

I need, in these times, that your minds and hearts can be united to a Purpose greater than life itself; for in this way, My children, you will give true meaning to your existence in this world.

If you live to serve God and be a living manifestation of His Plans, you will be doing your part, you will be living fully the Divine Thought for this humanity.

It all begins, My children, in the simple prayer of the heart. Then, little by little, I will guide you and you will be able to hear Me within each one of you, because every day I aspire for every soul on this Earth to hear the Voice of My Heart.

But in order for you to hear Me, My children, you need to silence your own voice, your own will, your own aspiration, so that in this way, empty of self, you may listen to the Voice of God which is pronounced through His Servant.

Friar Elias del Sagrado Corazon de Jesus transmits the Words of the Virgin Mary:

Dear children:

It is in this way, dear children, that I encourage you to the consecration of the heart, to prayerful life, to service and charity that must be life in your lives, for in this way you will please My Beloved Son who is inconsolable for this humanity.

Even when there are many mistakes, My Heart brings you Grace and the merciful opportunity to begin all over again every day, through faith and trust in God.

It is through My Presence, and in order to be here today, among you, that I activated the Divine Mirrors of My Consciousness so that the doors would open to this place in need of redemption; so that souls would be touched by My Most Holy Light, just as My Light touched many hearts throughout times.

I need you, dear children, in this city to pray the Rosary to My Immaculate Heart for the indigenous consciousness, to reverse the evils that happened throughout times, to balance the debts, to bring the Forgiveness of God to this humanity; as this nation, dear children, was always very colonized and that must end.

Each nation must live its deep peace and that will begin in you when you begin the path of the prayer of the heart, which I come to lovingly offer you today. If you pray to My Immaculate Heart every day, whatever prayer you pray, I promise you, dear children, that everything will be healed in a short time and you will be reborn to the spirit, you will be reconciled with God the Father and thus reconcile all humanity. It is in this way that I come to form the armies of prayer, for it will be necessary, dear children, for you to be well prepared for the end of times.

Today, I want to tell you, My beloved children, that the times are no longer normal. Awaken to the call that comes through My Heart, for it is the Voice of God that is pronounced through My Spirit on this sacred night for each of you and your brothers and sisters.

Dear children, embrace with devotion all that I say to you, for it is your heart that will understand all things that are very immaterial.

Dear children, open your eyes and see the Light that descends from the universe, the rays of My Grace that approach you seeking a profound awakening of your consciousness.

In this way, beloved children, I invite you to leave comfort, to enter the path of service to your fellow beings. There, you will find mercy in your lives, the healing of your souls and families, the rebirth of the Spirit of God in your hearts.

To give testimony to all these things I tell you today, dear children, I invite you to consecrate yourselves to My Heart. Therefore, through this sacred altar that you have offered Me and all the images that you have placed at the foot of My altar, today I will consecrate new Children of Mary, who tonight will commit themselves to Me to pray for peace until the end of time.

On this night, dear children, may the Solar Heart bless you. My Immaculate Heart, radiate the rays of the Sun of the Universe so that your spirits may gather in this blessed mission for peace in the world.

Now, as pilgrims who follow the path of Christ, Our Lord, I invite those to approach who today will consecrate themselves and place themselves at the foot of this altar, not only as souls, but as flames of My Heart that are re-ignited by the action of My Grace, by the triumph of the Mercy of God in the self-summoned hearts to serve Me.

In each new consecration, hearts are renewed and it is a major opportunity for all hearts that have consecrated themselves as Children of Mary to reaffirm their vows with Me and to live, in this final time, My great project for peace.

Come closer, dear children, to feel the consolation of My Immaculate Heart which will bless you in this task of praying for this city, for the entire European consciousness, so that redemption may be instituted in humanity.

Now that you are here, place your hands on your heart and feel My Immaculate Heart that embraces you tightly and unites you to the Love of God.

In this consecration to the Divine Plan of the Father, feel the embrace of the angels, the song of the blessed ones and of all beings of good will who, in this hour and through this meeting, unite themselves to My Heart of Light.

See within yourselves how the profound essence of your beings is reignited, the original purity of Lys in your lives.

Repeat after Me, dear children:

O My God,
I believe,
I adore, I wait for and I love Thee.
And I ask pardon for those who do not believe,
do not adore, do not wait for and do not love Thee.

Amen.

(three times)

All the Children of Mary are mirrors of prayer, reflections of My Presence in the world, divine sparks of the Spirit of God that are reignited to give testimony of the Return of Christ to humanity.

Contemplate that mystery at this time and in every moment of your prayer.

Remember every day that My Son is returning and I gather His flocks scattered throughout the world to reawaken to the Sacred Call of God, to His evolutionary Plan for this end time.

With your hands upon your hearts, I bring down upon you, dear children, the divine blessing of the Father so that, united with Him, you may always remember that His Mercy is infinite and His Light is invincible.

Now, I will pray for you.

I consecrate you, dear children, and I renew you in the name of the Father, the Son and the Holy Spirit. And now, may your voices, also consecrated to My Immaculate Heart, sing the hymn of your consecration so that the Angels of Heaven may raise the offer to the Universe of God, in union with your Guardian Angels for the thousand years of peace.

Today, dear children, you will receive a flower from this altar as a testimony of My Love for you and My devotion for all souls of the world.

I thank you for responding to My call!

Glory to God in the highest and peace on Earth to all beings of good will.

So be it. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elias del Sagrado Corazon de Jesus:

Today, Mary, through Her Face of the Queen of Peace, did a task between Europe and South America, liberating some things from the consciousness of the planet, especially what happened between the indigenous consciousness and the colonizers. And you may ask how did that happen?

Our Divine Mother is also omnipresent and Her Motherly Love embraces many things. Her motherly work has been going on throughout the ages.

At one moment of the Apparition, Mary showed herself as Our Lady of Guadalupe so that in our consciousness and, especially, in our hearts, that image will be kept, which is still valid today, because She said that the Lady of Guadalupe is the one who unites peoples, cultures and nations through love.

So, this Message is also for you, so that those of you who are in this city, when you do your prayer work, alone or in groups, remember Our Lady of Guadalupe; so that in this way, we can all heal ourselves spiritually and help our Divine Mother so that her Peace may be established, not only in Brazil, but also in the world.

We want to thank everyone for your presence and all those who accompanied us through the live transmission.

And now, let us thank our Divine Mother for this meeting.

Thank you, Divine Mother, for for all that You give us!
