Daily Message of Mary, Rose of Peace, transmitted in the Olmué Commune, Marga Marga, Valparaíso, Chile, to the visionary Friar Elías del Sagrado Corazón

May your cross not be heavy today, the cross that God has given you to learn how to free yourselves from matter.

May your cross be light today, may it be like the wings of angels that elevate you to a state of constant redemption.

Feel that I am here in the name of My beloved Son to renew all things, reaching the depths of the essence of Life so that all may be redeemed soon.

No longer feel the weight of this cross as a punishment or a defeat, please the Lord by carrying it with valor, courage, and resignation.

Avail yourself of this cross to make every moment a victory of Christ, not only in the surrender, but also in service, in prayer, as well as in each act of love that your heart can offer humanity.

Feel that you can take the steps and that you no longer stop on the path.

Move forward with your cross, just as Christ moved forward until the end for each one of you.

Experience each stage as if it were the last and use each test in order to be able to realize the Plan.

May this sacred cross of life which you carry on your back, today be the symbol of the triumph of love and of infinite charity for this wounded planet.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
