MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, ON THE OCCASION OF THE MEETING OF MUSIC FOR THE HEALING AND ELEVATION OF HUMANITY

Dear children,

With maternal joy, today I am again with you so that from Heaven and from the Earth we may come into spiritual communion with the Eternal Father.

May today this communion with the Divine Purpose be experienced and fulfilled in each one of My children so that the great chain of Peace may be established in the world.

With this in mind, My children, the offering that your lives and your consciousnesses will make will attend the planetary need and will help dissolve, from the ethers of the Earth, the currents opposed to the Love and to the Light of God.

It is in this way, dear children, that the singers and instrumentalists of peace unite again to be able to heal and elevate the subconscious consciousness of humanity.

But today's meeting will also have repercussions in the consciousness of music, which has been perverted by humanity and has contaminated millions of souls on Earth with music tendencies and styles that do not unite with God.

This Meeting of Music will work in these states of consciousness, but at the same time will place healing, love and peace in the hearts that have lost their filiation with the Most High.

Dear children, in recent times, the Meetings of Music have represented the possibility for the spiritual Hierarchy to more broadly work in the consciousness of humanity.

When the Meetings of Music for Healing are carried out live, a spiritual contact is established between humanity and the Hierarchy, between Earth and the Cosmos. It is a celestial door that opens each time My singing children gather, strive and carry forward each meeting.

All striving, sacrifices and efforts that are made to realize the Meetings of Music generate in every way the great opportunity that the spiritual Hierarchy has to help all of humanity. But at the same time, all these efforts grant to the world periods of peace and dissolution of armed, nuclear and technological conflicts.

The Meetings of Music have changed cycle and you, My children, are called to change your cycle with the Hierarchy so that the assistance that humanity and the planet must have in this time can prevail.

May the meeting of today mirror more attributes to humanity so that hatred, wrath and lack of love

may be replaced by the Divine Principles.

Wishing and aspiring for a luminous work of music for all of My singing children, I bless you and thank you for responding to the call of God

Your Mother Mary, Rose of Peace
