DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

Keep the Light of God in your heart. There, it will rest and silently work until it fulfills its inner purpose.

Keep the Light of God in your heart, so that it may reach the goal within you. That Light descends to bless you and renew you.

The Light of God is neutral but very compassionate. Its presence regenerates life and awakens love in the human heart.

That Light, which comes from His Source, is a most powerful Grace that comes to renew the life of the prayerful soul.

The Light of God comes to redeem your cells through the inner elevation of your being. Thus, you will open up a space for that powerful Light to act and work according to the purpose it has.

Let the Light of God transform your being and those spaces within you where light has not yet reached.

Trust in the power of the Light of God, and everything will change.

It draws souls toward the Divine Source.

It communes with the heart that lives the path of prayer.

It is the Light that illuminates the path for the pilgrim feet.

It is the Light that reveals the inner truth.

It is the Light of God that awakens the consciousness and leads it toward discernment.

The Light of God intervenes at culminating moments and in difficult situations.

The Light of God is never reduced nor does it disappear from this space-time.

The Light is omnipresent and its omnipresence allows it to help many souls that have imperative needs of this humble Light of the Creator.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
