PRIVATE APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

In face of the somber planetary situation, do not cease to seek God within you. Do not cease to find within you the universe that you are and the purpose that has brought you up to this moment.

In this way, you will begin to be in another dimension and under another vibration.

You will understand the events of these times from another perspective and you will no longer be one more in the planetary chaos, but you will be able to be converted into an instrument in the Hands of God so that He, at this crucial moment of humanity, can work through you by means of His impulses of Love and Unity.

Do not cease to elevate your consciousness towards the Father.

Humanity submerges, day by day, in its process of definition. The doors to the opportunities are closing.

But My energy of Grace will be able to reach you whenever you need it because My Grace is a great flow, it is an inexhaustible Fountain for those who open their hearts to receive it.

Therefore, aspire to find what is true within you. Free yourselves from the ties of life, from the prisons of consciousness, from the obstacles along the spiritual path.

This does not mean that you will not live battles with yourselves, but rather that you will learn to go through these battles with intelligence and prayer because the purification of the human being is something quite broad and unknown.

Your realities unfold and multiply in an indescribable way. But you do not know everything. Therefore, you must elevate your consciousnesses to reach the maximum point of transcendence and love.

In that point, there will be no conflict, but rather transition.

There you will also be able to help the rest of humanity to step out of its retrograde condition so that, before the last doors of opportunities close, the majority of My children can cross their state of consciousness to find the Truth.

What does Truth represent to you, My children?

It is not just knowing what the reality is, but also understanding it.

Truth is not a form, it is the evidence of a reality that is not under the control of anyone, and that comes from the Source as an impulse of revelation.

Not all truth that is shown in the world is right. Therefore, at this moment you must not be confounded.

You must nourish your spirits with true prayer, which is where everything is shown, it is from where all responses come.

Humanity has not given importance to this spiritual exercise with the instrument of prayer.

It is your strength at this moment.

It is the path that will lead you to find your true being.

It will allow you to purify yourselves and transcend your human aspects.

But to know about prayer, you must love it, so that you may recognize the beat it has in the universe and within each being.

While humanity does not communicate with the Heights through prayer, how can the pandemic end?

The disconnection of the human race is very great, but it is also unknown.

I am not speaking here of religiousness nor of any doctrine. I speak of the possibility that each child of Mine has to be able to be in God and in communion with His Spirit.

If the Father placed His Kingdom within each one of you, why do you not seek it? You already know where lies the path to return to His Celestial Home.

But souls decide to take other paths, even those souls that were once consecrated and made promises of vows before My Son and have not fulfilled them.

To live spirituality does not mean to only be adhered to it.

To live the Will of the Father is not something fleeting nor a preference for each one.

Souls do not know what it means to not respond to the Eternal Father. For this reason, they are in this planetary situation.

My Son still waits for His companions to find the path of Truth in order to leave confusion and suffering.

Children, cease to be victims of yourselves and begin to be victims of the Love of My Son. Thus, He will offer you the sacrifice and the suffering that He lives for each one of My Children.

Thus, you will feel within yourselves the Wounds of the Lord, which are not physical, but rather inner, and you will accompany Him in this calvary that He lives through My children of the world.

I would like you to reach the path of the Truth with determination, to know beyond what happens at this moment; what is the truth that presents itself, from cycle to cycle.

There is something that will protect you from yourselves and from the world, which is obedience; because obedience will lead you to understand and see where lies your humility and your offering.

It is not only by obeying that you will reach union with the Eternal Father, but through it, being humble and surrendered to the Greater Designs.

Now, My hands continue to weave the network of prayer throughout the world and your prayers can be a part of this network, of this great inner Mantle that the Mother of the World is weaving to help the souls that suffer, to help sustain the nations and the peoples.

But while humanity does not change its state of consciousness, it will not be able to find the truth nor step out of the situation in which it finds itself, because it is necessary to do penance to be blessed by a Greater Grace, which My Immaculate Heart still holds in order to someday give that Grace to the world. A Grace that will remove the world from the current situation in which it lives.

But My children, the adherence of the true prayerful beings is still insufficient. I speak of all humanity, of all those who one way or another pray to God, to the Source, to the Universe, to Creation.

Thus, you will understand the universality of My Message, so that human beings may understand what I am saying. A Message that does not refer to something religious, but to something universal and planetary.

Your gazes, My children, must leave the horizontal plane. Your eyes must elevate toward what is vertical, to find the Cross of Christ. There lies, upon the Cross, the justification of your errors and all your evils, there lies the forgiveness and the redemption for all your cosmic and earthly history.

Prostrate before the Cross of Christ and invoke the Power of Emmanuel.

We have left, within the Marian Centers, the symbol of the salvation of the world and the Celestial Father has deposited some of His divine Aspects upon the Cross of Emmanuel.

Although you may be far or in other nations, the Cross of Emmanuel is omnipresent. Invoke the blue Light, and the Power of what is eternal will help you and will soothe the epidemics, together with all those who adore the Eucharistic Body of My Son.

May the Cross of Emmanuel and the Blessed Sacrament be the symbol of protection during the battle of these times.

Behind the doors of your homes, place an image with the Cross of Emmanuel of the Marian Centers, and may each one of you have it with you on the tables of your rooms.

When you pray or when you adore, have this image with you, and the Father, the Almighty, will protect you from what is now happening in the world, and the souls that have been victims of this tragic world epidemic will be contemplated by Mercy, and they will be taken to the Kingdom of Peace.

I would like to speak to you someday of all the good that could take place if humanity fulfilled the Commandments and lived the universal Laws.

May the guardian angels accompany you, may their wings envelop you in Divine Light.

May the silence of their prayers inspire you to keep taking steps towards the Redeemer so that surrender may be lived by all, so that a New Humanity may definitely emerge, free from indifference, from sin and suffering.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

United to the Most Holy Virgin, we respond at this moment to Her intentions, allowing Her words to reach the depths of each being on this planet.

May the Words of the Divine Mother resound throughout all corners of the Earth so that, raised by Her Light and protected by Her Love, we may fulfill the aspirations of the Eternal Father.

Let us pray Our Father in Aramaic together, the original language that Jesus spoke at that time, and, glimpsing upon the horizon of our inner world the emergence of the New Earth and of a Sacred Humanity, we place ourselves, just like the old people of Israel, at the foot of the Mount of Beatitudes, on which Our Lord once proclaimed this prayer and taught us to unite to the Eternal Father.

Our Father in Aramaic
(transliterated into English)

Abwun d'bwashmaya
Nethqadash shmakh
Teitê malkutah
Nehwey tzevyanach aykanna
D'bwashmaya aph b'arha Hawvlan
lachma d'sunqanan yaomana
Washboqlan khaubayn wakhtahayn
Aykanna daph khnan
shbwoqa'kh ayyabayn
Wela tahlan l'nesyuna
Ela patzan min bisha
Metol dilakhie malhkutha
Wahayla wateshbukhta
l'ahlam almin

Ameyn.

We withdraw into our hearts to reflect upon the impulses received from the Divine Mother.

And to finish, let us intone together, as one voice and one heart, the song "Primordial Source".
