WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My children,

You are precious crystals that, day by day, are being polished by the Hands of the Redeemer.

May the great radiance that exists within you shine, so that this world may not lose its ability to love and forgive.

Your lives are precious crystals in the Hands of My Son so that, by being purified, you may attain the inner purpose that He has thought of for each one of you.

A raw crystal needs to be polished smoothly and carefully. In this work of the purification of the crystal, the harshness is removed so that the beauty that lies within the crystal may be expressed.

Each one of you are at this moment. Do not resist and allow My Son to make all things new, because His faithful Purpose is to convert your lives according to the project that He once thought of for each one of you. Trust, and do not fear.

Some harshness of life is difficult to remove, however, it is not impossible, because the Love of My Son came to the world to show everyone that He is the Way, the Truth and the Life.

My children, allow for everything to be removed from its place so that the great crystal of your lives may reflect the immeasurable beauty of the inner Christ, because this is the time for the inner Christs to rule, in this cycle, through Love.

May the Love of God repair and heal souls.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
