WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

Believe absolutely in the strength and power of overcoming that God's Love offers you.

Believe that, despite your deepest miseries, the Love of My Son and His Mercy will be able to place you into another reality.

Believe that, in the overcoming of yourself, you will learn to live the redemption of your whole being and come to know how to take steps that will lead towards the fulfillment of God's Will.

Believe that, overcoming yourself, each day a little more, dissolves the heavy chains that bind humanity.

Believe that by overcoming yourself, you will generate the condition for the suffering to disappear from the face of the Earth.

Therefore, believe absolutely in the strength and power of overcoming that God's Love offers you, because, in this way, you will be recreating Creation and the inner situations will be different.

Have faith and overcome yourself every day. Overcome the limits imposed upon you by the fears of your consciousness.

Make all things new and live this time of purification, not as a punishment, but as a great moment to overcome yourself, so that humanity may overcome itself, and abandon, once and for all, indifference and coldness.

Believe in the strength of overcoming and place your awareness in another state, in that which is positive, in the universal current of Love.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
