WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

At this moment, My Immaculate Heart still finds itself united to the essential Hearts of each little child of Africa, so that these small souls may achieve the spiritual and moral relief they need.

In an ardent way, I wish that, in Africa, the door of My Grace may open, a grace of opportunities and hope for the adolescents and youth, so that My children of Africa may know that it is possible to live a different experience upon the surface of the Earth.

An experience that may allow for the awakening of their spiritual and inner values, values that will help them to be good people, just as they are good and simple in spirit, something that all My children of the world should learn to acknowledge.

Africa must be itself, as it was at its origins, from its deepest roots of union with the Divine and that which is Cosmic.

Therefore, through the current humanitarian mission in progress, the three Divine Messengers are preparing another inner scenario, so that the external scenario may be improved, harmonized and corrected, so that all My children may have the dignity they lost, not only as human beings, but also the dignity of recognizing themselves and feeling as worthy children of God.

Thus, in Africa, the gifts of hope, the opportunities and the New Earth have just begun to be gestated.

My Africa, you are a part of My Heart, you are My aspiration of the new cradle of the New Humanity.

Let us pray so that Africa may be itself and no longer belong to exploiters and bandits.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
