WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Everyone who arrives at the Marian Center of Figueira must be received at the House of Pilgrims, where they will cross the first Portal of their redemption, which is the encounter with humility. As from that moment, they will recognize their smallness and the greatness of God Who guided them to this sacred place, where the mysteries that were hidden from the mind, the soul, and the human heart can be revealed.

The House of Pilgrims must be the Doorway to Redemption for souls, where there are no restrictions for the arrival of hearts; there, everyone will be able to be sheltered by Me in the depths of their spirits.

In the House of Pilgrims, they will wash their feet for a new life, a new way of walking, on this eternal path of human evolution.

The House of Pilgrims is where My Heart waits for the hearts of the world, to receive their imperfections and difficulties and to transform them there.

In the House of Pilgrims, I will grant you a spiritual atonement and a Grace, so that you may restart your lives from a point which, by yourselves, you would never be able to reach.

I want the House of Pilgrims to be sufficiently large to give shelter to souls, their miseries and their sins, and also sufficiently large to shelter God, His Mercy and His Atonement.

You cannot imagine that in this humble place the Creator will heal and awaken many hearts; He will convert sinners into His instruments and will make so great spiritual miracles in those consciousnesses as He did in Me, when He transformed a humble and poor carpenter into the Father and Guardian of His Beloved and Eternal Son, the Redeemer of the world.

As the carrier of this infinite miracle of conversion, I remain in the world to multiply this miracle in souls, because this is what God has asked of Me. And it is in the House of Pilgrims, as in My small House at the Marian Center of the Holy Spirit, and in My future Houses, at the Marian Center of Aurora and at the Marian Center of the Child King, where these miracles will take place.

The House of Pilgrims will be the Mother-Source of all the Houses that will be lifted up in My Name at the Marian Centers that the world will come to know as the fruits of this Work. It is from here, from the House of Pilgrims, from the depths of the Reliquary of My Heart, that these Graces will emerge, which will cross borders, and even continents, and will touch souls.

For this reason, children, now that you have built the foundations, enlarge them physically and spiritually, and all that I tell you will come true.

I leave you My Blessing for this.

Your Father and Friend,

Most Chaste Saint Joseph

At the end of the transmission of the Weekly Message, Saint Joseph gave us an indication for the Anniversary of His Apparitions program, which will be transmitted on the 19th of March, 2018. He said:

"I want monastics, consecrated residents from the Communities-of-Light, Children of Mary and pilgrims who had or have an experience of unity with My Chaste Heart to share with the world, to do it and, in a simple way, tell everybody how My Instruction and My Blessings have reached their lives. In this way, you will be able to perceive that the purpose of this program is being fulfilled."

Afterwards, He asked that we made a short video to spread this invitation and to prepare this special Anniversary program.*
