**Daily message received of Glorified Christ Jesus, transmitted during the journey from Viedma, Río Negro, to Buenos Aires, Argentina, to the visionary Friar Elías del Sagrado Corazón de Jesús**

During the Hour of My Mercy I come to pour out spiritual graces upon those who open the door of their hearts for Me to do so.

In this way, My Merciful Love reaches humanity and it can embrace the planet.

Those who invoke the power of My Mercy, and do so with a true effort, no matter how exhausted they become, are recognized by the Celestial Father, Who sees the spiritual value that this has. And the Universe, instead of pouring out Justice, pours out the power of infinite Mercy, because there is a praying heart that sincerely asks it of the Sacred Heart of Jesus.

Thus all is restored, not only in that soul, but also in distant regions of humanity.

In the Hour of My Mercy, I leave the legacy of My Mercy to those who pray, which is revealed by the inner Love that I have for each soul.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
