DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF TUSAYAN, GRAND CANYON OF COLORADO, ARIZONA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I can testify to an experience and a mission carried out by a small group of souls that conform to My higher designs.

The mission accomplished today in this sacred region of the Grand Canyon of Colorado definitely opens the door to the last cycle of revelations, as the portal for the help and intervention in the current consciousness of humanity was also opened.

Many events occurred on this day, inner happenings that up to now continue having repercussions and keep on resounding within the consciousnesses of those who consciously participated and of those who were indirectly taken, on the spiritual plane, to live the same experience on some level of consciousness.

The effort, the striving and the love were important keys that, from the beginning of this mission, opened the doors so that the Hierarchy itself could work.

With this, I want to lead you to understand that we are going through the final moments of the spiritual impulses, that are sent directly from the Supreme Source and are addressed to all beings without distinction of creed, religion or purification.

Embrace this moment and place it within your gratitude and to the glory of the Eternal Father so that, beyond everything, the divine and ardent Will of God may continue to be fulfilled.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
