DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Rest your heart in the love of God. Renew your strength in His Cross, growing every day in your surrender.

Restore your spirit in prayer, in union with the Hierarchy, in silence and in peace, so that after each accomplished Mission your spirit may be ready for a new ascending step, more intense and profound than the previous ones.

In this way, child, you will open your heart to the Temple of God and you will prepare not only your spirit, but also your body, mind and emotions to go through the thresholds of a new life.

Thank God for everything in your life, because gratitude attracts renovation and peace from the Universe.

Unite your heart with the Divine Purpose, always saying "yes" to God, thus He will renew you and help you so that everything you are may be overcome, more each day; so that the fruits of love, the tree of the new life, may emerge from your effort.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
