WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

May the Resurrection of Jesus illuminate you and make of your consciousnesses hearts transformed and lives transfigured by the Love of My Son so that the planet may receive the sacred spiritual atonement that it needs to be able to redeem itself.

Dear children, open yourselves, much more so that today the sacred mysteries of Christ may be revelations for the awakening and elevation of your consciousnesses, because if you transform yourselves and resurrect in spirit, becoming one with the Aspiration of God, the planet will also be transformed and all of humanity will become something sacred through the principles and attributes that will always come from the Father.

Today, I would like My children to understand that everyone is part of a transition and that this transition will have an end, just as everything in life has an end.

Therefore, My children, I give you an impulse and call upon you to abandon indifference and to attend to the needs, just as My Son attended to each one of the needs.

Under the spirit of charity, I invite you to have a merciful heart, a heart that has the ability to always respond yes to everything that needs to be attended to and rescued, because this is how the first and decisive steps will begin towards Christic Love, towards a higher Love, able to forgive everything.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
