**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM MADRID, SPAIN, TO BOGOTA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

I am the Mother of the Heavens and of all the oceans, each space of this planet is ruled by My Mirrors, from within the oceans of light.

In them I keep the codes of peace, love and rehabilitation, those that radiate to the whole planet.

In the great oceans of the world, the praying souls can find the celestial codes of redemption and rehabilitation.

In each ocean is kept an evolutionary and spiritual history of the celestial Universe, that which radiates itself secretly to the continents.

Spiritual currents of divine energy that help to maintain the planet under a certain protection manifest themselves in the great oceans.

When the praying people unite to the oceans, they reflect what they protect and thus an inner communication is created between the soul of each being and the oceans.

I leave this instruction for all because the oceans keep in themselves the hidden principles of harmony, beauty and balance for humanity.

Oceans exist to contain the emotional plane of humanity. They help the inner healing of consciousnesses.

I thank you for responding to My call!

Who prays for the great oceans,

Your Mother Mary, Rose of Peace
