Daily message received during the journey from Zagreb, Croatia, to Budapest, Hungary, transmitted by Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

Through means of the Pilgrimage for Peace, I pour the attributes and codes of redemption which the different peoples need in order to be able to prepare themselves, in the inner planes, for the Second Coming of their Lord.

This is why, through the Pilgrimage for Peace, the souls find the possibility in some level of their consciousness to awaken to the call and invitation of their Redemption.

For this reason, we pilgrimage, to give spiritual and unique opportunities, so that the nations may know how to some day correspond to the Universal event of the Second Coming of Christ.

For this, all the love and dedication offered in these times to impel the awakening, will help souls to find, at some moment, the path of return to the Dwelling of the Celestial Father.

Each gesture of love, lovingly offered through the Pilgrimage for Peace, allows the different nations visited by the Celestial Messengers to be in a better internal condition to consciously take part of the great planetary moment, of the Coming of Christ.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master and Lord, Christ Jesus
