**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

In truth I tell you, dearest children, that whoever remains under the Light of My Immaculate Heart will always be able

to be guided, as long as you remember that you must be loving, helpful and compassionate with your fellow humans so that My Plans of Peace may be fulfilled in all nations of the Earth.

This is why, My children, today I invite you to be an active part of the power of prayer so that your lives may be a principle of Creation in the Hands of God and the sound of love that is born from His Voice.

It is important, dear children, to be what God wants you to be in this time. As instruments of the Father, carry My Peace today because there are many who still do not have it and need it. You will be potential roses in My garden only when you unite to Me in the prayer of the heart. Thus you will radiate to the world the Light that it needs in these times of changes.

Dear children, correspond to what God asks of you today: to be true children of God in the prayer of the heart and in peace because in this way you will be helping the inner harmony that many of My children need.

The Kingdom of My Peace wants to dwell in the lives of all, but I still find places that are not filled with My Maternal Love. Therefore today I invite you to be empty, empty as was My Son Jesus at the moment of carrying the cross and reaching the Calvary.

Imitate Jesus in the simple examples so that your lives may find the path of humility that all humanity should travel before the throne of God.

The Source of Love is springing up in the name of the Father through My Maternal Immaculate Heart so that you may recognize that I love you and that I accompany you as the Lady of Eternal Graces.

I thank you for corresponding to My call!

Mary, Mother of the Divine Conception of the Trinity
