**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My dear children,

Today My wish is that you dare to enter the transforming power that generates self-giving within you when it is true and sincere.

In the transforming power of the giving of self, the great doors open up for the conversion of the soul and the redemption of aspects of the human being.

The transforming power of the giving of self, when it is experienced with love, does not allow for certain tests or doubts to invade the mind.

The transforming power of the giving of self is what definitely cuts the ties with the past and the possible pain of a sick soul.

In the transforming power of the giving of self is to be found the way out of obstacles because that sincere giving of self is full of an unknown inner humility.

Walk every day upon the luminous pathway of this giving of self and you will succeed in getting out of yourselves and of many difficulties.

One of the great causes of psychological and social imbalances in the humanity of these times is the lack of sincere giving of self to others.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
