DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When in service to God through humanitarian missions, those who serve and those who are helped allow the descent of the flow of Divine Mercy, and within a social or humanitarian situation, the service done from the heart transcends material and intellectual boundaries, since it is done for the common good and for the benefit of the equilibrium and harmony of all.

In this time, all forms of service to humanity, no matter how small they may seem, favors the action of spiritual Laws that, through the service of love, counteract future disasters and maladjustments of the nations of the world.

So the service for humanity, which in truth is in the most need, creates new conditions so that the energy of Divine Mercy can intervene for the benefit of all.

Humanitarian service purifies the consciousness that offers to help others. Also, that service done for the love of God awakens a sense of maturity and of personal responsibility in the consciousness in the face of scenes of chaos.

For this reason, service builds the spirit of solidarity and of peace with one's peers.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace and Mother of the Humanitarian Missionaries
