**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE NATIONAL PARKCOTOPAXI, LATACUNGA ECUADOR, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Trust, My child, in the indescribable power of forgiveness.

If there is no peace in your heart, it is because you have not yet experienced the power of forgiveness, that which transcends misunderstandings, that which surpasses differences, that which grants, above all, peace.

May forgiveness be the keynote in these times for all My children because everyone, in spite of their learning or their schools, will need the divine power of forgiveness.

Encourage yourself to exercise forgiveness above yourself and all that happens.

Forgiveness is the safe door to reconciliation and to the transcendence of the human condition.

May you find, in the essence of forgiveness, the way out, to overcome the obstacles of the lower human consciousness.

Embrace forgiveness as your ally and you will live each test and each challenge in a different way, without entering into suffering or division.

Gestate within you the divine essence of forgiveness and you will know new grades of love that only the Eternal Father can grant you.

Be a participant of the great current of forgiveness and help Me to liberate the human division or indifference that may be hidden within you.

Open yourself to forgiveness so that your brothers and sisters also learn to forgive in the same way that God forgives humankind regardless of their mistakes.

May forgiveness be the balm for your souls, be the perfect motive to live, every day, new tests of love.

Forgiveness heals.

Forgiveness clarifies spiritual life.

Forgiveness dissolves guilt and errors amongst beings.

Be part of the essence of forgiveness and everything will pass.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
