DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

May the Peace of Jesus be in your hearts so that, in this time, you may learn to live the end of cycles.

Today I illuminate you with My Star of Light of Bethlehem and I have come to ask you, and to announce to you that on November 30th I would like to see, in all homes, places of work, as well as in each Monastery of the Order, the Manger of the Sacred Family.

For this, today I give the mission to each one of your hearts so that they commit to collaborate in the manifestation of the Manger of the Sacred Family, so that in each space of prayer it may be present to bless you.

I wish that the place in which you will choose to place the Holy Manger be preciously adorned with Christmas garlands, thus creating a sacred space of adoration and contemplation.

With this request, My aspiration is that, from December 1st until the Nativity of your Lord, you pray at least three times a day the [prayer](#) that was once delivered to the Divine Manger of the Sacred Family.

I especially wish that within the Communities, during these days, you work in prayer at the foot of the Holy Manger of Bethlehem so that the hearts may remember, in this cycle, the importance of nurturing the spirit of fraternity, solidarity and compassion among beings.

I wish, My children, that those who accept to carry out the fulfillment of this request of your Celestial Mother know that, from December 1st until the date of the Nativity of Jesus, we will be working together in the reconstruction of the spirit of love within the families of the world, as well as in the healing of hatred, resentments and the lack of love that is daily generated among the servers of the spiritual path, and in the families that are most distant from God.

I would like to see the humble hearts internally preparing, every day, for the rebirth of the inner child, so that humanity may be healed, at least of indifference and omission.

Blessed will be those who comply with this request, because God will see how great the love in their hearts can be.

I thank you for responding to this important request.

Who blesses you,

Your Mother Mary, Rose of Peace
