MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May peace reign in your hearts today, My children, so that you may approach God and thus your inquietudes and fears, your abysses and anguishes may dissolve.

May faith reign in your souls and love reign in your spirits today, so that you may know that when you respond to the celestial call, in spite of all battles, all miseries, doubts and fears, the Love of God will always triumph.

Today, I come, with the rosary in My hands, to ask you to keep praying for this world. My eyes see things that you cannot imagine, that you would not accept nor believe that they exist in humanity. But your hearts and your prayers can actually reach, My children, not only the lost souls, but the deep and unknown situations that have their spiritual roots in the innermost core of the consciousnesses of the nations.

Now that you have learned to be in My Heart, to love Me and to recognize Me as your Mother and Protector, as the One who accompanies, not only the cross of Christ but the cross of each child of God, now, My beloveds, be more aware of your mission with Me.

May each day lead you to deepen, not only into the transformation and the surrender of your lives, but also in your service to this wounded planet and to its sick humanity that lacks love. This takes place by means of increasingly deeper prayer, of increasingly more sincere singing, of more selfless service, of a more complete surrender of yourselves, each day.

Pick up your rosaries, every day, and pray with Me. Pray, pleading to the Father for this world, for that which your eyes cannot see.

The Time of God now draws near toward the Earth, and the promises of a new world now approach their manifestation, in which the Kingdom of your Father is expressed. The promises now approach their manifestation and will soon become alive, the promises that together unite all true religions and allow them to become fulfilled, in one truth.

But before that, beloved children, the Book of the Apocalypse and everything that was taken out of it, by the hands of humanity, will also be fulfilled.

Many hard and deep trials will touch the consciousness of nations, like that of humanity, and in order to make of each one of these moments true triumphs of God, and not of chaos, you must be in permanent prayer.

It is possible, children, to experience the cross and allow a new Love and Divine Mercy to triumph within it, just as it is possible to live the Apocalypse and the Armageddon and make of this a confirmation of your souls before God, of the potential that is in your hearts, as His children.

You were created to love and to renew Love, and this happens beyond all circumstances of the world. It is just necessary, children, to pray from the heart, to serve with love, to surrender, to be in God, to seek the Father, each day, in each instant.

My Heart inspires you in silence, guides you to this purpose and accompanies your steps. My Love sustains your cross, My Grace helps you in your falls, My Peace renews you and makes you discover who you truly are.

Therefore, on this path, pray, My children. Pray for the world, pray for peace.

I bless you and thank you for responding to My call!

Your Mother Mary, Rose of Peace
