**Message of Mary, Queen of Peace, for the prayer vigil, transmitted in the city of Montevideo, Uruguay, to the visionary Friar Elías**

Dear children,

Whoever gives all for My Father, will receive all from My Father.

Therefore, dear children, we are at a time of definition and surrender for humanity, because the Marian soldiers must give all for the All so that the world may be saved and worthy of receiving the Grace of God again.

Dear children, I am among you day by day to guide you along the path of the prayer of the heart and along the path of the consecration of your lives to the Creator Father.

Now, the time has come for humanity to strengthen unity through the divine light generated by the precious groups of prayer. It is time to take the step towards the Heart of the Redeemer and to surrender to Him in absolute trust, so that all hearts may be better prepared for the new time that will come.

Prayer is the path that should unite you in these times, so that the plans of the Mother of Heaven may be fulfilled through you.

Dear children of Montevideo, I have come here, as I have been to Brazil, to awaken the hearts to the truth you must seek, the truth of God in each one of you and the path of consecration to the Divine Plan of the Creator, you must do it in the name of those of My children who have not yet taken the steps to be part of the New Earth.

My children, it is very necessary to open the doors of the heart so that, all feeling that does not belong to love, may be purified by the Love of My Son. You must allow the spiritual purity to emerge from the deepness of your hearts, because in this way, as fraternal souls you will reach the definitive unity.

Dear children, as Mother of the Divine Truth, I ask you to unite yourselves without thinking of anything; the Lord of the Universe is waiting for you, as souls of Uruguay, to take the steps towards the consecration to My Immaculate Heart.

Therefore, I call My children of different paths to reunite them as a single flock, a flock that transmits the peace needed to be radiated at this time. Prayer and devotion to My maternal Heart will lead you to love unity and so you will be able to walk on a correct path towards service.

Dear children, I am also here in these days, in this nation of peace, to renew your important vows before God the Father, because He is waiting to design in your hearts His Projects of redemption; therefore, give the necessary permission for this to happen.

My children, encouragement is necessary to go forward.

I give you My maternal Love and thank you for all you have done to receive me. I thank you, dear children.

Thank you for responding to My call!

Who blesses you on this day,

Mary, Mother and Queen of Peace
