DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

While the majority of Uruguayans do not seek nor live the prayer of the heart, the nation will suffer the material consequences of what it has chosen, far from the Love of God.

For this reason, those who are awake must pray ardently with the heart so that at least a part of the majority of Uruguayans may one day react and move out of the inertia they are in.

It will be necessary that the love and the devotion of your prayers make this country deserving of infinite Mercy, which has the capacity to reverse many social and political errors already made.

While the souls of this country and the church reject the Voice of the Divine Messengers, sent by God on a mission, the human life and the spiritual life of this people will be empty and superficial.

Prayer and acts of permanent repentance will have an unknown effect on the nation and will once again place a lifeline in their hands, which will free them from all committed errors.

There is still some time of peace in Uruguay, but if there are no great spiritual changes, many souls will become compromised, will lose their peace and will feel they have no way out.

Those who repent will be forgiven.

Those who resist will be judged by the Lords of the Law because the destiny of Uruguay will have been assaulted.

Be aware and do not sleep anymore.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
