DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF GOIÂNIA, GOIÁS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Children of Mine,

From Heaven I contemplate the needs of redemption of the world and the causes that prevent humanity from reaching this redemption.

For this, dear children, day and night I pray for all of you, so that those who trespass the Law of God the most may at least receive their redemption in the definitive day.

Through the apostolate, which is the true testimony of the love for Christ, humanity is again receiving a call so that it may remember the Mercy and the Love of the Creator. In this way the doors of conversion and of reconciliation will be opened in order to guide the souls along the paths of the Holy Peace.

Now, children, day by day the foundations of the Gospel of My Son and of His Holy Word are the urgent path to find the union with the Celestial Father again, before the world triggers the time of its most acute purification, in which all of the Earth will liberate itself from the debts that oppressed it along the centuries.

In this time in which My adversary awakens in the sinning souls ambitions of conquest, of annihilation and death, I call you to seek serenity, prayer and peace. In this way, children, you will permit that the Divine Justice may act as the Universe foresees.

Children, pray with Me, staying all the time by My side. In this way we will reconstruct this old humanity into a race of hope and of forgiveness.

I thank you for answering to My call for the perpetual prayer!

Who unites you with the Universal Love,

Your Mother Mary, Rose of Peace
