DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from Bogota, Colombia, to BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When you pray the Chaplet of the Divine Mercy of My Heart, with effort, I can forgive, help and spiritually re-establish you because, in spite of the state you are in, My Mercy is active and has no boundaries nor limits.

In spite of where you may be, when a soul asks for Mercy, it is deeply assisted and all that is around it is also helped.

I recognize sincere efforts, thus when I see them and they are done in a heartfelt way, I do not delay in pouring out My infinite and celestial Graces upon the soul or the situation that is being prayed for.

The Mercy of My Heart is great and souls do not yet know it deeply, but who truly asks for My Mercy is heard and attended to, receiving directly from My Heart the impulses of love and redemption.

In this way, the soul that fervently asks is alleviated by its Master and Lord, as many times as necessary.

I thank you for persevering in prayer of the heart!

Who blesses you,

Your Master and Lord, Christ Jesus
