Daily message received of Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

Through Supreme Grace, the Mercy of God descends and is shed upon the impurities of this world so that at least a few souls may awaken to the path of consecration and redemption.

Therefore, children, My maternal voice speaks to you so that you recognize that much prayer is needed, everywhere in this world, for those who do nothing and constantly forget My Son.

At this time, when the third stage of the mission in the Congo begins, your Heavenly Mother wants to make you aware of the serious injustices that will lead this nation to lose its inner peace.

You, My missionaries, who have now learned to walk through peace and the prayer of the heart, offer your Heavenly Father the opportunity for closed hearts to discover the Source of salvation and redemption: My beloved Son.

Therefore, My dear ones, in these days in which you will come to know a parallel reality, the one experienced in Ruanda and Uganda, your charitable task must have the main motive of entering the spirit and the heart of each slave soul of My beloved Congo.

Your constancy in wanting to listen and feel the suffering of others with your hearts will make you discover the different spiritual abysses where My souls from Congo were submerged, due to a lack of awareness and love among creatures.

The path to follow in these days is large and at the same time profound and unknown.

You, my missionaries, will stand before a culture subdued by disbelief and by the constant error of withdrawing the best benefits and wealth from a spiritually impoverished people. From there, children, the causes of slavery and forced work are born and appear, which lead to needing to the redoubling of physical efforts in order to survive and to not perish.

Therefore, dear missionaries and prayer beings of Mine, there you have a task of prayer, and worthy are the reasons for doing something for your brothers and sisters in Congo, asking the Creator that this endless captivity may end.

Your Most Holy Mother of Kibeho arrives in Congo to share a spring of Graces with all souls dying of thirst.

I thank you for responding to My call!

Who unites you and calls you to pray for peace,

Your Mother Mary, Rose of Peace
