DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

A repented heart is a heart that is approaching the truth because it puts in evidence all that it lived and experienced beyond the wrongdoings and rightdoings.

A truly repented heart is a heart that opens itself to conversion and, in this way, the Pardon of God is granted to it.

This repented heart can again journey the path of trust and renewal. It is a heart that learns to lose its most unknown fears because it faces and works them in a conscious way, to transform every experience of life, of suffering and of pain.

A truly repented heart listens once again to what it once resisted and conflicted because repentance itself leads to the fall of structures of the consciousness to give place to the task and mission of the inner world, which must bring to the Plan of God the talents that led it to fulfill the purpose of its incarnation.

A repented heart is able to establish peace inside of itself.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
