Special Message received of Mary, Queen of Peace, transmitted in the city of Rio de Janeiro, Brazil, to the visionary Friar Elías

Praised be Jesus, dear children of Rio de Janeiro!

For the first time in the history of My Apparitions, My Immaculate Heart receives the celestial permission to descend in Glory and Mercy upon your needy city of Rio de Janeiro.

In honor of the Sacred Heart of Jesus, on this day I call you to truly open your hearts to My Heart, so that, in this way, I may have the permission to take you to Jesus Christ.

Dear children, after so many months and years in which My Work has been accomplished in this part of the Americas, together with the Center of Medjugorje, My fundamental Message for all of you is Peace! Peace! Peace! If you do not try to live in peace, how will the Kingdom of the Heavens reach your tiny lives?

For this reason, dear children, may peace reign among you, so that it may later reign in the cities and in the peoples; mainly, peace must reign in families, so that my Son Jesus may receive the permission to reign, with His redeeming Light, in your hearts.

My children, let peace be the keynote of this epoch. The world must be in peace so that it may be in the Arms of God, and this will be possible, beloved children, when you simply pray the Rosary with your heart.

Dear children, in each Mystery of the Rosary you have the keys to achieve your conversion and find the states of peace: peace in your heart, peace in your consciousness, inner peace, peace in your souls, peace in your work for God, peace in each space.

In the Peace of Heaven, you will find relief for your recurring problems. If you still do not have peace, My dear ones, it is because you must first love God. If you love the Father, you will never lack joy, and thus, Peace will be the main cause that will generate happiness, hope, and daily victory in you, a divine victory that can reside in the heart of each being.

Seek within yourselves where peace is to be found because peace is strengthened through the sublime power of prayer. The repercussion of prayer is many Graces; so, My dear ones, may prayer be the true reason for you to live in peace.

If peace is lacking, it is because prayer is lacking. True and sincere prayer is the impulse for the heart. Be good prayerful beings, because, with the rosary in hand, you have the path to your redemption, for the Rosary is the doorway of salvation and the straight path to the blessed Heart of My Son Jesus.

So, My dear ones, if the world truly prayed to God and lived the Commandments, it could be under the Grace of God, wars and the divisions between peoples would be avoided, and you would have

yet another time of peace.

When I call you to prayer, I call you to the awakening of your sleeping consciousnesses. Children, awake to this important request. Thus, I come here on this evening to meet with you, because as a Mother, I love each of you and will do everything until you take the definite step towards the consecration of your hearts to God.

You cannot live without God, because it would be like a child without its mother. Nobody can replace your inner meeting with the Father of Heaven. He expects a profound union from you. God is the Lord of Compassion and Mercy, do not fear because of your sins, make way so that God may be the new path and in this way, your souls will be disseminators of the loving Light of the Father.

Dear children of Rio de Janeiro, as a Mother, I come to your city so that sleeping souls may awake in time; the time has now come to respond to the Call of God through the work of the heart.

My children, for this you have Your Mother, ready to lead you on the path of your quick redemption. First, seek the path of peace, because as Mother and Queen of Peace, I gather you around My Presence so that you may recover the strength and the will to say a loving 'yes' to the Lord of the Universe.

Dear children, remember that you are still in time to meet My Son, Jesus. I come as the Mother of all, to look for those who were called by My Son for a greater task.

Dear children, today, begin by giving all your love to My Heart through prayer.

May the blessing I bring today from Heaven for all those present be able to also radiate to those who most need it.

Receive from My Heart today the Mercy of Jesus, your only Shepherd.

I thank all My children of Rio de Janeiro for responding to My special call!

Who blesses you with love and compassion,

Your Mother Mary, Queen of Peace
