**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS????**

My beloved companions and seekers of the celestial truth, today My Chaste Heart only comes to ask you to carry on deepening yourselves in the path of prayer and surrender.

I ask you to not forget of the campaign to which I invited you some time ago, and remember the sacred mission that the missionaries of Mary must carry out as soon as it is possible.

Know that the adversary of God will do everything in order that the missionaries are not able to reach the destination set by the Lord; for this, from now on, as praying soldiers of God who live to fulfill His Plans, place in your prayers and in your hearts this sacred mission, in order that, thus, the paths may be opened and the obstacles imposed by the evil may be dissolved.

For the Sacred Hearts, this mission is of vital importance as well as the campaign to sow the Love in humanity, because - if you fulfill these two purposes - humanity will be sending a sign to Heaven that it ardently aims that Light descends to the world and that evil be dissipated.

Today I tell you that, for all the evil that humanity causes to the planet, to God and to their own fellow humans be dissipated, it is not enough to want; you must pray, act and make many efforts and sacrifices. You know that the greatest sacrifice of the human being is not the martyrdom of the body, but rather the living experience of humility. It is for this reason that I send you in order that you will ask for forgiveness and will live the reconciliation, because in this way you will overcome what humanity has always nourished, which is pride and vanity, in favor of the fulfillment of a Superior Plan.

All the conflicts of the world are based on the pride ingrained in the human heart; for this, in order to establish Peace, be humble of heart.

I love you because I know about the greatness of your hearts once you express the truth that is latent in your own interior.

The Most Chaste Saint Joseph
